

City of Wilmont

City of Wilmont

To all Wilmont Residents:

Just a few announcements-

Due to the Governor's Stay at Home Order and concerns of the COVID -19 pandemic, we have closed Hilltop park temporarily. Community Center/City Office is also closed to the public. Rita is in the office and can be reached at 926-5235. Tim is also doing normal maintenance work and can be reached at 360-5888.

The Equalization meeting to be held on April 23rd will be held through a virtual service in coordination with Nobles County Assessor, Val Ruesch. See the notice in the Shopper for additional information or call Rita @ 926-5235.

Spring Clean Up has been postponed. We are now planning on a September city wide clean up.

PLEASE, PLEASE, PLEASE remember NOT to flush anything other than toilet paper down the sanitary sewer. Other items will cause our system to back up and cause additional public health hazards for residents. So again, PLEASE DONT FLUSH ANYTHING OTHER THAN TOILET PAPER!

We will be holding our regular council meeting with distancing maintained. The council asks that if you have any concerns that you would like addressed, please contact Rita @ 926-5235 by Tuesday, April 14th. We will then call you and let you address the council and your concern will be discussed. Thank you for understanding. We are doing our best.

As always, we are doing everything we can to keep up to date with the COVID-19 information and will try to forward it on as we receive it. Please stay home, stay safe, and stay healthy ~

Paul Grant, Mayor
