What a wonderful story about "Lovin' Lismore"—a feature in the Globe's "Pride in our People" supplement last week. Troy and Todd Veld continue to carry on their late father, Darwin's legacy in the lumberyard business. While many kids grow up and want to leave their hometown, the Veld boys truly love Lismore and are committed to the community. Another local businessman, cabinet maker Ken Leinen, depends on Veld Lumber for materials and praised the guys for the way they run their lumberyard. We are fortunate to have Veld Lumber and Leinen Cabinets in Lismore!!

Wilmont Saloon No 7 was also featured the Worthington Globe Pride in our People supplement. The adventures of the current managers Hailey Sisell & Chris Bartsch prior to arriving in Wilmont were reviewed! The couple landed in Wilmont following hiking the Appalachian trail and living a nomadic life. We're so happy they decided to come to Wilmont to manage the Saloon—always delicious food!

Easter Sunday Mass was full to the brim at St. Anthony's Catholic Church in Lismore. Fr. Colletti invited the children to come to the altar to help with the Easter homily and his dog, Murphy, barked with approval! When the Eucharist was celebrated, Fr. Colletti used the new chalice and paten that has been given in memory of the late Fr. Robert Maher for the first time. Fr. Maher grew up in the Kenneth area and graduated from St. Anthony's High School in Lismore and was also ordained at St. Anthony's in 1957. It was good to be able to attend Easter Mass after missing it last year due to the pandemic closures. Thanks to all who helped make our Holy Week so meaningful.

Pictures will be taken free of charge of people of all ages, although only the pictures of the six year olds an younger children will appear in this newspaper free of charge. No appointment is necessary. We are sending the Tribune to the boys in service and know they will enjoy seeing pictures of the home town youngsters. From Nobles County History by Arthur Rose 1907

William Wulf is a farmer who lives in Willmont Township, just east of the village of St. Kilian. He was born in Schleswig-Holstein, Germany, April 8, 1860. His father, Claus Wulf, was a stone mason by trade. He died in his native country at the age of 60 years of age. Our subject's mother, Fredericka Wulf, died at the age of 48 years of age, when William was 13 years of age. William was raised on a farm and made his home in Germany until he was 21 years of age. He landed in New York March 15, 1881 and from there went direct to Davenport, Iowa, near which city he worked on the farm eight years. He moved to Holstein, Iowa, in 1889 and farmed on rented land one year. It was on March 5, 1890 that Mr. Wulf arrived in Adrian and since that date he has been a resident of Nobles County. He rented the northwest quarter of section 32, Willmont Township, and farmed the place two years. In the fall of 1889 Mr. Wulf had first come to Nobles County with a party of land seekers, and while here had bought the east half of the northwest quarter of section 27, Willmont Township. In 1892 he erected buildings on the place and moved on. He now owns 240 acres in the same township, all of which he farms. He raises considerable stock and has an orchard on the place. Mr. Wulf was married in the city of Davenport, Iowa, Feb. 6, 1889 to Annie Alp, daughter of Henry and Margarita Alp, now of Galva, Iowa. She was born in Schleswig-Holstein July 22, 1870 and came to the United States with her parents in 1881, locating at Davenport. To Mr. and Mrs. Wulf have been born the following children, all of whom reside at home; William, born Feb. 1, 1890; Adala, born June 11, 1892; Levina, born Nov. 23, 1894; Alma, born June 1, 1900. Fraternally Mr. Wulf is an Odd Fellow and a Woodsman. He has been a school officer of district No. 6 for the last seven years, and was road overseer one year.

MSD is a rare genetic condition that inhibits the body's natural ability to dispose of cellular waste. Without the ability to dispose of cellular waste, the body ultimately will not survive. Baylor is 1 of 20 known cases of MSD in the United States and most children will not likely see their 10th birthday. Please help us raise money for Baylor and his family to help offset their travel expenses for his many doctor's appointments, specialty equipment such as a wheelchair, bath chair and much more.

Thanks to an observant Catholic Daughter friend, we received a newspaper article from Forum News Service. Each week reporter Matthew Guerry shares the life stories of residents of Minnesota or the Dakotas who have died recently. He feels their stories are worth knowing, even if you did not know the person. In early March, Guerry wrote a story about former St. Kilian resident Leo Loosbrock, who passed away on February 19, 2021. Leo was the youngest of Art and Emma Loosbrock's eight children. He became an educator, teaching in St. James, then Germany. Following his time in the service, he settled in Rochester, MN area where he taught for several decades. Leo had a huge impact on his students, inspiring many to pursue a teaching career. Leo is survived by his wife, three daughters, nine grandchildren, brother Marcel Loosbrock, and his sister, Sr. Davida Loosbrock. Hats off to the Forum for publishing such a wonderful tribute to Leo. May he rest in peace.

## **A Commitment To Agriculture**

For years, area farmers have relied on us for their ag loans. We know agriculture and we work hard to understand each customer's individual needs.

We make loans for operating expenses, machinery, livestock and real estate. **And, since we're a local independent bank, all loan decisions are made right here.** If we can be of help to you, give us a call or stop in and see us.
