National Poppy Day is May 26th this year. Since the 1920s, American Legion Auxiliary members have distributed millions of poppies annually across the country in exchange for donations that go directly to assist veterans, military, and their families in need. The red poppy is a nationally recognized symbol of sacrifice worn by Americans since World War I to honor those who served and died for our country in all wars.

Wear a poppy to honor those who have worn our nation's uniform.

Learn about the Civil War veterans who came to Nobles County in the early days of settlement from re-enactors Vince & Teresa Bergdale, aka Harley & Patience

Harley & Patience are living historians from Albert Lea who have presented characters and events of our nation's history for more than 25 years. Their interest in life after the Civil War led them to the seldom-told story of the Grand Army of the Republic and the Woman's Relief Corps.

You will hear about the beginnings of the G.A.R. and the early struggles to define the organization. The decades-long struggle for the expansion of pensions for veterans was the high tide of political influence of the Grand Army of the Republic.

The Woman's Relief Corps and its caring of disabled veterans led to the creation of Old Soldiers Homes. The W.R.C was instrumental in the efforts to place the U.S. flag and Pledge of Allegiance into our nation's schools.

Harley & Patience showcase a collection of G.A.R. & W.R.C. memorabilia that illustrates the importance of the Civil War veterans in the years following the War.
