Thank you to everyone who attended the Flag Day gathering at the Wilmont VFW on June 14. We had a wonderful crowd. We were happy to have so many young people in attendance and hope they learned about the proper way to dispose of worn and tattered American flags.

Our bike winners were Tatum Hoffman and Rosalie Brake. We hope you are enjoying your new bikes.

If any individuals or businesses would like to donate any amount toward future Flag Day bike giveaways, please contact Jim Kremer at 360-0322 or any VFW member. Thank you.

Photo From the Past

This is a photo I recently got in an email from David Pratt of Boise, Idaho. I put this photo on the 'Growing Up In Wilmont' Facebook page and am now posting it in the Shopper. It is a school photo of students who attended a country school in Wilmont Township. The second photo is from a 1914 Nobles County plat book showing the six sections that sent children to the country school in this photo. If anyone has any information as to who might be in this photo, contact me at aubrake@gmail.com or call 507-360-1136.

David sent the following email. It sure would be great if anyone know anything about this photo.

His email: "Hello! My name is David Pratt and I've been looking at your Facebook page about Wilmont. My grandmother and her family (the Jess and Effie Easley family) lived and farmed in the Wilmont area for a couple of years before moving to Kenneth, MN. The attached photo is the only photo I have from that time period. My grandmother, Fern Easley is on the top row, fourth from the left. Her brothers Earl and Jesse Easley are in the middle row - 2nd and 3rd pupils from the left. The photo was probably taken around 1915. I was wondering if you could share this photo on the Wilmont Facebook page. I know it is a long shot, but maybe someone in that area has the same photo that once belonged to one of their ancestors and thus might know the name of the school in this photo which then might give me an idea where the clan actually resided. I normally scour old newspapers for family history tidbits but no one seems to have the old Wilmont Tribune in their holdings. It has been great to see the old photos from the time period when my ancestors lived there. Thank you in advance for any help you can provide. Kind regards, David Pratt, Boise, Idaho."

After receiving this email, I did get some information from the Nobles County Historical Society. They found a list of 1916 Nobles County 8th grade graduates in a 1916 Worthington Daily Globe. Fern Easley was listed as a graduate and attended the country school in District 67 which was located in section 8 of Wilmont Township. Those who lived in sections 5, 6, 7, 8, 17, & 18 of Wilmont Township went to this school, so the Easley family must have lived on a farm in one of these sections. If anyone has a similar photo or possibly know if any of their ancestors lived in these sections around the years of 1914 - 1916, maybe we could get a few names of others in this photo. Again, contact me at aubrake@gmail.com or call 507-360-1136.

Also, I did receive an email from Jack and Linda Middendorff with the obituary of WW II veteran, Julius Middendorff. I still don't have obituaries for Henry Pacholl, Joseph Moser, Leon Butler, William Mohr, Harold Killen, Raphael Vogt, or Larry Fritz.

Thank You to the efficient members of the Wilmont Rescue Squad for our call on Sat. evening. We appreciate your help especially Judy and Duane. After a number of tests I am doing fine.

August 23, 1944 Cpl. Clem Haverkamp writes from France: I suppose I should have wrote you a few lines before this, but I didn't so here goes. We finally landed in France after being among the Limey's better than 13 months. Every move we make now, the war gets rougher, so we don't want too many moves. We got back to camp about 3 o'clock this morning and are having today off. Most of the fellows slept this morning and are washing their clothes and cleaning up this afternoon. You ought to be in camp one day like this. We didn't get paid last month and the fellows are all pretty well broke so there isn't any gambling going on. Passes are a thing of the past so we have to hang around camp and shoot the bull. We are having salvage day today and getting new clothes and equipment for old ones. I want to thank you for the paper. I got a couple of them several days ago that were about two months old but it was till news to me. We don't pay much attention to politics over here, so put some guys into office that will give the servicemen a square deal. Your friend, Clem H. Haverkamp

Tidbits

Civilians cannot hope for an early end of shoe rationing. WPB says, unless imports of hides increase or unless there is a large cutback in military orders. Hide shortages continue in spite of a large domestic kill of cows and calves. Heavy civilian and military consumption and decreased imports account for the shortages.

Certain restrictions limiting the number of models and fuel types of domestic cooking appliances and heating stoves have been removed, announced WPB officials.

A change in the daily bag limit this year now makes it possible for hunters to have a daily bag limit of 15 birds, provided at least five of them are mallards, pintails, or widgeons and the possession limit 30. The daily limit may include not more than one wood duck.

Patricia Anne Jansen

Patricia (Pat) was born on January 5, 1934, the only daughter of Anne and Clyde Lackore. She had 8 brothers, 7 older (Tom, Ken, Brian, Jim, Dean, Don, Pete, and 1 younger, Bill). She attended grade school in Lismore, MN, until moving to St. Paul where she graduated from Saint Agnes High School June 1, 1952.

At the age of 14, she met the love of her life, Gerald Jansen, who told her father he would return when Pat was 18 and marry her. Gerald (Jerry) proposed in late 1952, and they were married April 6, 1953. They moved to Honolulu, Hawaii, where Jerry was transferred to Hickam Field. There they had their first child, Ronald. Jerry's career provided them with an opportunity to live in a variety of communities with each of their children born in a different town: Honolulu (Ron); Minneapolis, MN, (Wayne); Watertown, MN, (Joni); Winona, MN, (Laura); and Luverne, MN, (Joe and Tony). Family was Pat's primary focus! She would choose to spend time with family above anything else! She loved hearing stories about their lives now and in the past often finding out something that happened with one of them that "mom was not supposed to know."

The love her grandchildren (9) had for her was shown in the regular contact they made with her. Her role modeling and support was such a gift that each of the grandchildren welcomed. It is a tribute to the type of person she was, seeing their dedication to her and what she valued. Her great grandchildren (15) brought joy and laughter to her life watching them learn and grow and the innocent expression of love they shared with her.

Pat was a talented pianist. Her gentle demeanor and patience provided learning opportunities to children teaching them how to play the piano. She was the organist at St. Anthony Church in Lismore, Minnesota, for several years, not just playing for Mass, but also for weddings, funerals, and other social functions. Pat was a huge Minnesota Twins Fan. She never wanted to miss watching a game and knew each of the players by name. She had Twins blankets and wore Twin's sweatshirts, jackets or sweaters proudly. Other interests she enjoyed participating in included playing Bingo, singing, playing cards, socializing with family and friends and her faith. Pat was a writer and editor for the Nobles County Review out of Adrian, Minnesota, for several years. She had a flare for writing which she shared through the articles she wrote.

Pat was preceded in death by her husband Jerry; son, Joe; and daughter-in-law, Bev (Wayne). She is survived by her children: Ronald (Mary) Jansen; Wayne Jansen; Joni Loosbrock; Laura (Michel) Lagace; and Tony Jansen; brother, Bill (Carol) Lackore; her grandchildren and great-grandchildren; as well as countless nieces and nephews.

Pat passed with her children around her on Thursday, June 8, 2023, in Winona, Minnesota.

Mass of Christian Burial was held at St. Anthony's Catholic Church in Lismore, MN. Pat will be laid to rest in the church cemetery.

Tenaska Nobles 2 Wind Farm Awards \$7,500 in College Scholarships
Three Nobles County High School Seniors Receive Education Funds

Wilmont, Minn., June 9, 2023 – Nobles 2 Power Partners, LLC, owner of the Nobles 2 Wind Project in Wilmont, has awarded a total of \$7,500 in scholarship money to three graduating seniors in Nobles County. Each student received a \$2,500 scholarship as a part of the Tenaska Scholarship Program.

The goal of the Tenaska Scholarship Program is to recognize hard-working students in the local community and to help reduce the financial burden of pursuing higher education. This is the second year Nobles 2 Power Partners is awarding deserving students scholarship support. The money can be used toward two- or four-year post-secondary education programs at accredited institutions.

The 2023 recipients are:

Brianna Sieve, graduating from Adrian High School

Htoo Han, graduating from Fulda High School

Triston Sauerbrei, graduating from Worthington High School

“Tenaska is proud to offer this scholarship program in recognition of the accomplishments of Nobles County’s finest students,” said John Beacom, director of asset management at Tenaska. “We believe education is the key to developing today’s students into tomorrow’s leaders.”

Tenaska, headquartered in Omaha, Nebraska, is one of the leading independent power producers in the United States and manages scholarship programs in communities where its generating facilities are located. To date, more than \$1 million in scholarships have been given out to nearly 1,100 students across the country. The Nobles scholarship program began in the 2021-2022 school year and has awarded \$10,500 in scholarships to six students to date.

The construction of the Nobles 2 wind farm represented a significant investment in the regional economy. Through engineering, procurement and construction, approximately 150 local craft workers were hired and approximately \$15.5 million in contracts were awarded to businesses in the region.

Commercial operation of Nobles 2 Power Partners began in December 2020. The wind farm is comprised of 74 Vestas turbines and produces 250 megawatts (MW) of renewable energy.

Nobles 2 Power Partners is comprised of affiliates of Tenaska, ALLETE, Inc. and Bright Canyon Energy. An affiliate of Tenaska serves as the managing partner.
