What is Socktober?? In October 2011, creator Brad Montague realized there was a large homeless population in his hometown and he wanted to do something about it. He became aware that socks were the items least donated to homeless shelters. Brad took action, wishing people “Happy Socktober!” as he gave out socks on the streets. Word got around and people wanted to know how they could help. Since then, Socktober has exploded! Organizations and individuals around the world have started sock drives to benefit their local shelters and people in need. All seven continents have been involved in donating. Catholic Daughters of the Americas Ct. St. Bernard #886 is once again ready to help fulfill a need in our area. By enlisting the help of the parish cluster, they will be donating new socks for those in need through the Manna Food pantry. A bin will be set up in the foyer of St. Anthony’s Catholic Church and St. Adrian Catholic Church for any new men’s, women’s, & children’s socks. Please consider buying a package of socks for those who are in need. Thank you, in advance, for your generosity!!

Angels are everywhere...and there are two right here in our area! Sisters Donna Dew and Deb Lutmer of Lismore are the "Paper Angels". They love to make unique greeting cards and other paper crafts. They have been creating special candy treats for those who receive Meals on Wheels in Adrian for several years now. Each month they decide on a treat, usually with a seasonal theme. Some examples of the treats that have been given out are gnomes, snowmen, scarecrows, sunflowers, Valentines, Easter bunnies, pinwheels, Halloween cats, and many different treat boxes. All of these paper crafts have one special purpose: To bring a smile to those who might be eating alone. Thank you, Donna and Deb, for sharing your talents and for being so caring and generous!

Honoring the Dakota's Resilient Hope

**Presented by Sarah Darling,
based on her master's degree project
& new Heritage Center exhibit**

November is Native American Heritage Month, and we will honor the Dakota heritage in Minnesota. The Dakota in Southern Minnesota faced war, genocide, and exile in the 1860s yet came back with resilient hope fighting for sovereignty to rebuild a nation. Today they continue to seek new ways to thrive and preserve their cultural heritage. Wars, boarding schools, protests, and treaties will be explored on the path to reconciliation. Discussion and sharing of stories are encouraged.

Dragons Complete Season in Madison, MN

The Dragons traveled to Madison, MN, a two hour drive, to compete in the Section 3A Championship. This is the qualifying meet for state. To qualify, the two teams on the boys and girls team move on, while the next six individuals NOT on those teams will qualify as individuals. The Dragons were looking to have some of their best performances of the season to try their luck at qualifying or, at the very least, ending the season on a high note.

The Varsity boys ran first. The 5,000 meter course is pretty flat and fast and the weather was something of a dream in Madison during late October. The boy's got out fast and continued to pass runners along the way. Darwin Demarrias-Jansma led the team one final team as he placed 20th out of 137 runners in a time of 17:52. He was four places away from qualifying, which was a great effort on his end. Freshman Aiden Lichter crushed a personal best run to run 19:17 and placing 44th. Cody Weidert had another personal best run in 19:44 and placed 55th. Senior Ben Brinkhous in 19:56, a personal best. Riley Spies, another senior, ran a personal best in 20:56 to place 84th. Kevin Rivera ran 21:23 for a best time. Angel Farias had a season best time of 22:40. The Adrian-Ellsworth boys place 8th of 20 complete teams with 261 points, their lowest team total at Sections in 11 years.

On the girl's side, a team effort was the theme. Olivia Bullerman led the team with a time of 22:04 to place 36th of 125. Lucy Thier was 39th in 22:12, a season best time. Jozie Cuperus was close as well, running 22:15 for a season best time. Keyona Klingenberg finished the 5K with one shoe, but still ran 22:31 for 47th place. Peyton Bohlke was 70th place in 22:39. Abby Bertrand had a personal best time of 24:01 and placed 83rd. The girl's team placed 8th as well in the Section with a team score of 217. This is the lowest team score the Dragons have had in 14 years.

Congratulations to the Dragons on a great meet and an exceptional season!
