A deal was completed here last week Wednesday whereby Clarence Majeres purchased the building from Anton Bucher on main street. Mr. Bucher will remain in business and will be located on the east side of main street, the first door north of the Balster Pool Hall. Mr. Majeres informed the writer that after some remodeling, he will be in the plumbing business and will handle General Electric Appliances. We welcome Mr. Majeres in opening a plumbing shop and wish him the best of luck. Watch this paper for further announcements.

A deal was completed here last Saturday when the City Cafe was sold to Bud Winter and Donald Gerber. Francis Flannery, who operated the cafe for the past 15 months, is undecided what he will do as yet. The new owners of the cafe are no strangers in this community, and we wish them the best of luck in the cafe business.

They will be at home after March 1st in Rushmore where the groom has been employed at the Farmer's Union Store since his discharge from the Army last fall.

An eight-team Gopher League schedule was drawn up here Monday evening. Seven teams were present and it was decided to have an eight-team league this year. Teams that entered the league were Pipestone, Lake Wilson, Hadley, Slayton, Fulda, Adrian, and Wilmont. There were only two teams left in the Gopher League from last year. They are Hadley and Wilmont. Just who the eighth team will be still remains uncertain at this writing, but whoever it is, you can bet that this league will be one of the strongest in southwestern Minnesota. According to the schedule drawn up Monday night, the first game will be played on Sunday,

April 27th. Wilmont will pay at Hadley on this date.

Photo From the Past

The Years Ago column mentioned Clarence Majeres buying a building from Anton Bucher to start a plumbing business in Wilmont in 1947. This photo is a closeup of the building he bought on the west side of main street, which is toward the north end. Standing in front of the building is Daryl Majeres, Clarence's son. The building at that time had large display windows in the front. The window even advertises that they sell wallpaper. Also, take note of the pay telephone booth beside this building. The store front has changed somewhat with smaller windows and has a white siding instead of the brick front. Leroy Fuerstenberg, son-in-law of Clarence, took over the business when Clarence retired. When Leroy retired his son, Alan, took over the plumbing business and still runs it to this day. Does anyone know where the pay telephone booth went? Wonder if any of the young people of Wilmont tried to see how many bodies they could fit in that booth which is something that was done in the late 1950's. According to Google - the record was 25 individuals and was set in March of 1959

Did you think having tattoos meant you couldn't donate blood?

That is a huge misconception. People with tattoos ARE ELIGIBLE to donate. In most states, a tattoo is acceptable if the tattoo was applied by a state-regulated entity. There is no wait period if you recently had a tattoo. Such a simple thing can help save patients in need. If you ever assumed you couldn't donate, now is the time to give it a try. If you've had a tattoo, giving blood should be a breeze!
