The Christmas season is approaching, and Nobles County Toys for Tots is kicking off its eighth year of bringing smiles, hope, and the joy of Christmas to children throughout Nobles County.

Since its first local campaign in 2019, Nobles County Toys for Tots has relied on the generosity of individuals, businesses, organizations, and community partners to help ensure children in need have the opportunity to experience the excitement of receiving gifts during the Christmas season.

The local campaign is part of the US Marine Corps Reserves Toys for Tots, whose mission is to collect and distribute new, unwrapped toys to children in need at Christmas. Through the dedication of local volunteers and the generosity of the community, the program helps bring hope and happiness to families during the Christmas season.

“Our mission is to help bring the joy of Christmas to children in our community,” said Dan Harrington, Nobles County Toys for Tots coordinator. “Every child deserves to experience the excitement of Christmas morning. As we begin our eighth year, we are proud of what our community has accomplished together and are grateful to everyone who helps make this mission possible.

An important change for the 2026 campaign is that all toy requests must be submitted online. Paper applications and in-person applications will not be accepted.

Families have two ways to apply:

Apply online. Visit the official Nobles County Toys for Tots website:

https://adrian-mn.toysfortots.org/local-coordinator-sites/lco-sites/default.aspx?nPageID=0&nPreviewInd=0&nRedirectInd=3

Select “Request a Toy” and complete the family toy request application.

Apply using a cell phone.Families can download the official Toys for Tots mobile app on their smartphone. Once in the app, locate Nobles County, Minnesota, and follow the instructions to complete the online toy request.

The mobile app includes a convenient language feature that allows users to change the language from English to Spanish. The language option is located at the bottom of the screen, making the application process more accessible to Spanish-speaking families.

The deadline to submit a toy request is November 23, 2026. Families are encouraged to apply early and ensure their application is submitted before the deadline.

Nobles County Toys for Tots asks families to **submit only ONE toy request application per household**.

Duplicate applications create additional work for volunteers, slow down the review process, and can delay the processing of requests for other families.

“We understand that families want to make sure their applications have been received, but submitting multiple requests only complicates the process,” Harrington explained. “Our volunteers work hard to review and process applications as efficiently as possible. By submitting just one application per family, you help us keep the process organized and allow us to focus on helping children throughout Nobles County.”

Families are encouraged to carefully review their information before submitting their application and to avoid submitting additional requests for the same household.

As Nobles County Toys for Tots enters its eighth year, the campaign continues to demonstrate what can be accomplished when a community comes together to support local children and families.

During the 2025 campaign, Nobles County Toys for Tots distributed **4,318 toys to 1,457 children** throughout the county. These numbers reflect the generosity of local donors and the dedication of volunteers who work to make the campaign successful each year.

Florence Laura (Vaske) Probst, 90, passed away peacefully at home on Friday, October 23, 2026.

We lost our beloved mother, grandmother, and great-grandmother after a courageous battle with Alzheimer's. She was a true matriarch, and along with our father, raised three generations of our family with faith, hospitality, and fun. She will be sorely missed, but following her example and the traditions she fostered, we will continue to celebrate the bonds of family and a welcoming embrace to all who enter our homes. For mom, if a visitor's feet fit under the table, they were family and welcomed with open arms and a table brimming with food.

Florence, "Flo," was born on January 15,1936 in Wilmont, MN to Gregory and Catherine (Sturm) Vaske. She grew up on the farm and attended Our Lady of Good Counsel School in Wilmont. She attended the St. Mary's School of Nursing, receiving her diploma in 1956. She worked as a registered nurse at St. Mary's Hospital until she returned to Wilmont where she worked at the Worthington Hospital before marrying Stanley Francis Probst in 1958. She raised her four children and returned to work at St. Mary's Hospital and later at the Mayo Clinic, where she was a member of the hematopathology team. She retired from the Mayo Clinic in 1998 and jumped headlong into a busy retirement life of auctions, estate sales, casinos, visits to family, and travels with friends. It was not unusual to call home to find them gone and then call the rest of the family to ask if anyone knew where they had gone "this time."

The Probst house was always a place for gathering - for neighborhood kids, work colleagues, friends, and family. Many will remember their annual Christmas Tom-and-Jerry parties. Family gatherings always featured wonderful food and card-playing. We fondly remember stories of their weekend-long card games with Eve and Bob Galagan, and with card clubs and their friends Jim and Mary Hanson. She passed on this love of cards to her grandchildren through many games of Kings-in-the-Corner. Flo will be remembered for her cookies, pies, cakes, and celebration feasts. Her grandchildren fondly remember helping her bake cherry pies and thumbprint cookies. Holiday meals were more festive with the fine china, crystal, and linens that graced her table.

She was preceded in death by her parents, her brothers Francis (Norma) and Leo (Joan), and her sisters Mary Jo Hoffman (Stanley) and Eleanor Hoffman (Allen). She is survived by her husband of 68 years, Stan Probst, her four children and their spouses, Laura, Tony (Joyce), Timothy (Martha), and Mary Olsen (Michael). She will be missed by her grandchildren, Troy (Meryem Dede), Kelley Shepherd (Zachary), Dan (Trinh To), Jeff, Jacob (Emily Harper), Andrew (Anna Menezes), Zachary Olsen, and Katherine Olsen; and her great-grandchildren Oliver, Theodore, Marshall, Florence, and Ayla Dede; by her remaining brother, Joseph (Karen); our great family friend Kelsey Bruso; and her many cherished nieces and nephews.

The memorial mass will be held at Noon on Wednesday, November 4, 2026 at St. Francis of Assisi Church, 1114 3rd St SE, Rochester, MN with visitation at 11:00am. Luncheon will follow at the Macken Funeral Home.

Memorials to St. Francis of Assisi Church are preferred, or to the donor's choice.

I would like to thank everybody for the cards, gifts and for celebrating with me my milestone birthday! It was nice to visit with each and everyone of you. God has blessed me in many ways. Thanks again.

Ervin Henry Renken was born on February 16, 1932, near Little Rock, IA, the son of John and Jennie (Wessels) Renken. He attended country school and as a young man enjoyed hunting and fishing with his Wessels uncles and cousins. Ervin spent two years in the United States Army from 1957 to 1959, being stationed in Kentucky and the state of Washington and also served in the reserves until 1963. Ervin married Norma Cam on August 30, 1963, in Reading, MN. He farmed with his brother John, as Renken Brothers, northwest of Reading. They started out as milking cows and later raising hogs. When someone would complain about the smell he would say "it's the smell of money". He enjoyed gardening – growing watermelons, pumpkins, and sweet corn every year. After retirement he said he was busier than when he was farming. In the fall of 2007, they moved into Worthington, MN, where he enjoyed mowing the lawn, puttering outside, and attending auctions (though there was more visiting than bidding). Ervin moved to the Meadows last July. After having a fall in September, he became a resident at Good Samaritan Society in George, IA, where he received wonderful care and also from Avera @Home until his passing on Monday, October 26, 2026, at the age of 94 years.

Ervin is survived by his daughter, Brenda (Robert) Behlke of Huron, SD; two step grandchildren, Lucas (Erika) and Chandra Hisel-Behlke; three step great grandchildren, Tori, Seraphina, and Vincent, and two sisters, Janette and Marilyn. He was preceded in death by his wife, Norma in 2022; his parents; three brothers, John, Harlan, and Jim, and two sisters, Delores and Sandy.

Visitation will be held on Friday, October 30, 2026, from 10:00 a.m. to 11:00 a.m., followed by funeral services at 11:00 a.m., at the Benson Funeral Home in Worthington, MN. Burial will be in the Worthington Memorial Gardens Cemetery.

The Nobles County Corn & Soybean Growers recently demonstrated their commitment to developing future agricultural leaders by sponsoring 18 student memberships in the Minnesota Soybean Growers Association (MSGA) for members of the Worthington FFA Chapter. In addition to covering the memberships, the board matched the contribution with a donation back to the chapter to support student activities and educational opportunities.

The sponsorship connects students with Minnesota soybean farmers and provides them with greater exposure to the agricultural industry, leadership development opportunities and advocacy efforts that support Minnesota .

“Agriculture needs passionate young leaders, and FFA helps students discover the many opportunities available within our industry,” said Dusty Neugebauer, director of the Nobles County Corn and Soybean Growers board and a MSGA board member. “We’re proud to support Worthington FFA and invest in students who will carry agriculture forward.”

FFA is a youth organization focused on agriculture, leadership and personal development through school-based agricultural programs. The organization helps students develop career and leadership skills while exploring a wide variety of interests and career paths. FFA members pursue futures as farmers, agronomists, veterinarians, teachers, researchers, bankers and professionals in countless other fields.

“The Worthington FFA Chapter is happy to continually receive such ardent support from the Nobles County Corn & Soybean Growers. Their generous donations and the sponsored student memberships demonstrate their commitment and investment into the next generation of agricultural leaders,” said Matt Tripp, Worthington FFA Advisor. “The sponsored memberships are a great way to encourage and involve today’s youth in professional organizations to help them further develop leadership skills as well as knowledge of current agricultural issues.”
