A big THANK YOU to the Lismore-Wilmont community for successful blood drive in Lismore on Tuesday, October 27th. We had great results, collecting 28 lifesaving units and welcoming two new donors! The next blood drive will be hosted in Wilmont on January 12, 2027. You can already schedule your appointment at RedCrossBlood.org.

The Christmas season is approaching, and Nobles County Toys for Tots is kicking off its eighth year of bringing smiles, hope, and the joy of Christmas to children throughout Nobles County.

Since its first local campaign in 2019, Nobles County Toys for Tots has relied on the generosity of individuals, businesses, organizations, and community partners to help ensure children in need have the opportunity to experience the excitement of receiving gifts during the Christmas season.

The local campaign is part of the US Marine Corps Reserves Toys for Tots, whose mission is to collect and distribute new, unwrapped toys to children in need at Christmas. Through the dedication of local volunteers and the generosity of the community, the program helps bring hope and happiness to families during the Christmas season.

“Our mission is to help bring the joy of Christmas to children in our community,” said Dan Harrington, Nobles County Toys for Tots coordinator. “Every child deserves to experience the excitement of Christmas morning. As we begin our eighth year, we are proud of what our community has accomplished together and are grateful to everyone who helps make this mission possible.

An important change for the 2026 campaign is that all toy requests must be submitted online. Paper applications and in-person applications will not be accepted.

Families have two ways to apply:

Apply online. Visit the official Nobles County Toys for Tots website:

https://adrian-mn.toysfortots.org/local-coordinator-sites/lco-sites/default.aspx?nPageID=0&nPreviewInd=0&nRedirectInd=3

Select “Request a Toy” and complete the family toy request application.

Apply using a cell phone.Families can download the official Toys for Tots mobile app on their smartphone. Once in the app, locate Nobles County, Minnesota, and follow the instructions to complete the online toy request.

The mobile app includes a convenient language feature that allows users to change the language from English to Spanish. The language option is located at the bottom of the screen, making the application process more accessible to Spanish-speaking families.

**The deadline to submit a toy request is November 23, 2026.** Families are encouraged to apply early and ensure their application is submitted before the deadline.

Nobles County Toys for Tots asks families to **submit only ONE toy request application per household**.

Duplicate applications create additional work for volunteers, slow down the review process, and can delay the processing of requests for other families.

“We understand that families want to make sure their applications have been received, but submitting multiple requests only complicates the process,” Harrington explained. “Our volunteers work hard to review and process applications as efficiently as possible. By submitting just one application per family, you help us keep the process organized and allow us to focus on helping children throughout Nobles County.”

Families are encouraged to carefully review their information before submitting their application and to avoid submitting additional requests for the same household.

As Nobles County Toys for Tots enters its eighth year, the campaign continues to demonstrate what can be accomplished when a community comes together to support local children and families.

During the 2025 campaign, Nobles County Toys for Tots distributed **4,318 toys to 1,457 children** throughout the county. These numbers reflect the generosity of local donors and the dedication of volunteers who work to make the campaign successful each year.

One young man from Wilmont, Cletus Broich, is in the middle row, 4th from the left. Cletus Broich entered the service on March 5, 1942 and was infantry-trained. After training he embarked on May 5, 1944 to serve in the European Theatre in battles at Cherbourg and St. Lo, two cities in the Normandy region of France. Chris Knoll of St. James has been elected to represent Minnesota Senate District 21 following Tuesday's general election. Knoll, the Republican-endorsed candidate, will succeed retiring Senator Bill Weber.

According to the election results reported November 4, Knoll received 23,002 votes (67.1%), compared to 11,257 votes (32.8%) for DFL candidate Caitlyn Sanow-Minett.

"I am truly honored and humbled by the trust the people of Senate District 21 have placed in me," Knoll said. "I know this is a big responsibility, and I don't take it lightly. I look forward to representing the families, businesses, and communities that make this part of Minnesota such a great place to live and work."

Knoll said the campaign was a team effort and credited his wife, Amanda, for being by his side from the very beginning.

"Amanda has been my biggest supporter through all of this. From our very first conversation about running, she has been right there with me," Knoll said. "She put so much time and energy into this campaign, and I couldn't have done it without her. I'm grateful that we get to take this next step together."

Knoll also recognized the Republican BPOU chairs and leaders throughout the district, along with outgoing Senator Bill Weber, for their guidance, encouragement, and support during the campaign.

"To everyone who knocked on doors, made phone calls, put up signs, donated, or simply offered a word of encouragement, thank you," Knoll said. "This wasn't something Amanda and I did alone. There were so many people who believed in what we were trying to accomplish, and we're incredibly grateful."

As he prepares to take office, Knoll said his focus will be on representing the people of District 21 and making sure rural Minnesota has a voice at the Capitol. Among his priorities are controlling government spending, addressing fraud and accountability, supporting farmers and small businesses, and making sure rural communities have the resources and opportunities they need.

"I've spent my career working with people, solving problems, and making tough decisions," Knoll said. "I plan to bring that same approach to the Senate. I want to listen to the people I represent, understand the issues affecting their lives, and work toward practical solutions. We may not always agree on everything, but everyone deserves to be heard and treated with respect."

While Knoll is looking forward to his new role, he said he won't forget the people who helped him get there.

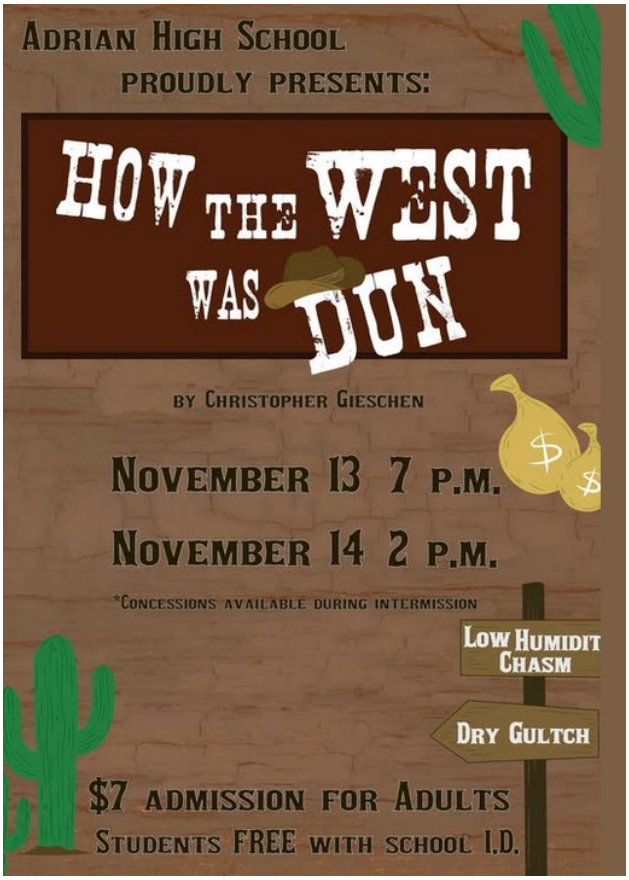

"From the bottom of my heart, thank you, Senate District 21. I'm proud to represent you, and I promise to work hard every day to earn the trust you've placed in me."

And as for what comes next:

"The campaign is over, but the work is just beginning. It's time to pull on our boots and get to work!"
